Conditions of Approval

1. Plastic reflective bollards must be placed on each corner of the waste skip/container and are to be in good working order. (warning devices are to be installed at the applicant's expense);
2. No skip/container shall be placed on Council land without an application being approved;
3. Nothing is permitted to protrude or extend outside of the skip/container; the area surrounding the skip/container must be kept free of debris (overspill) at all times;
4. The permit holder shall also ensure that the skip/container does not obstruct the vision of motorists or obstruct the passage of pedestrians;
5. That Council will take no responsibility for the placement of "materials" in the skip/container by unauthorized person/s.
6. The permit holder shall take all safety and protective measures and to do all things necessary to prevent accidents or injury to persons, or damage to private property and public infrastructure.
7. The permit holder accepts responsibility for any damage caused to the road or footway, or any other damage of public property, as the result of the placement or removal of the mini skip/ container and understands that Council may undertake any Repairs necessary and recover the costs from the Applicant, in accordance with the provisions of the Local Government Act 1999 Section 233.
8. That the permit holder agrees to indemnify and to keep indemnified the Council, its servants and agents and each of them from and against all actions, costs, claims, charges and expenses whatsoever which may be brought or made or claimed against them or any of them arising out of or in relation to the issuing of the permit.
9. Take out and keep current a public risk insurance policy in the name of the permit holder insuring the permit holder for a minimum sum of \$10,000,000 against all actions, costs, claims, damages, charges and expenses whatsoever which may be brought or made against the permit holder in relation to the activity (Copy to be attached to this application form).
